

ENERGY MANAGEMENT POLICY

ELECTRA HOTELS & RESORTS Group is a pioneering Organization in Greece, active in the "**Provision of Hotel Services**". The physical boundaries of its activity are the boundaries of the 6 hotel units:

- Electra Athens, at 5 Ermou Street, very close to Syntagma Square
- Electra Palace Thessaloniki, at 9 Aristotelous Square in Thessaloniki
- Electra Palace Athens, at 18-20 Navarchou Nikodimou Street in Plaka
- Electra Palace Rhodes, in Trianta, Rhodes
- Electra Metropolis Athens, at 15 Mitropoleos Street, very close to Syntagma Square
- Electra Kefalonia Hotel and Spa, at Svoronata Beach in Kefalonia

Through its obligations, governed by the compliance with the requirements of EN ISO 50001: 2018 standard, it is committed to:

- meeting applicable legal requirements and other requirements related to energy efficiency, energy use and energy consumption
- understanding the nature, scope and environmental impacts of the energy use of its activities and services
- providing all of the necessary resources, information and means to ensure the effective functioning of the Organization and the integrated management system
- establishing and monitoring the achievement of objectives and targets regarding energy performance
- training its employees for the implementation of services, energy management and ensuring a safe operating space
- the measurement and continuous monitoring of critical elements and processes to ensure the energy improvement of the Organization
- the continuous improvement of the integrated management system and energy efficiency
- the control of its external providers regarding the compliance of the above and the supply of energy-efficient products and services that affect energy performance
- periodic review of this policy in terms of its continued suitability
- designing activities that address the improvement of energy efficiency
